

## NAME

1. "REVELATION: the Journal of Fine Art Photography: Ottawa"

## MISSION

1. Presenting interesting and innovative ideas in contemporary fine art photography
2. Supporting fine art photography in Ottawa by providing a catalog of resources, a calendar of events and recognition for local artists.

## ORGANIZATION

1. A permanent editor and web master
2. Guest editors for each issue

## MEDIA

1. Web only to start. Use Word Press.

## CONTENT

1. The issue's main article with text and images by the guest editor on a predetermined topic based on his/her work project.
2. Response to previous issues. Use a mechanism on the web site that allows holding submissions for edit and release. No anonymous postings.
3. One or more reviews of work in Ottawa by the permanent editor. Make an effort to recognize local emerging artists.
4. Occasional articles on history of photographic ideas or photographers who have marked an evolution of fine art photography.
5. Book review
6. A teaser image and text about next issue

## RESOURCES

1. Links to local fine art photographers' web sites
2. Links to fine art photography resources on the web with a special emphasis on resources that support local artists – Canada Council & Ontario arts supports
3. A "live" calendar of local photographic and arts events
  1. "Ottawa Fine Art Photography Calendar"
  2. Shows
  3. Artist talks

## PERSONALITY

1. "Modern" design
